Vehicles

Tyst Drive India Private Limited reserves the rights either to replace or repair, at their facility or at their authorised dealer (hereinafter called as authorised service centres) free of cost, those parts which may be found on examination to have a manufacturing defect within one year from the date of sale (or) first 20,000 kms whichever occurs earlier of its operation.

Batteries

Tyst Drive India Private Limited reserves the rights either to replace or repair, at their facility or at their authorised dealer (hereinafter called as authorised service centres) free of cost, those parts which may be found on examination to have a manufacturing defect within three years from the date of sale (or) first 50,000 kms whichever occurs earlier.

Condition of Warranty

The warranty coverage for Products will be valid only if the following are availed & followed:

All Periodic Services as per, the schedule is given below:

- First service: At 500 km (free)
- Second service: At 1500 kms
- Third service: At 4000 kms
- Thereafter every 4000 kms

The claim for exchange (or) repair of parts shall be considered only when:

- Customer ensures that immediately upon the discovery of the defect he inform the nearest TDIPL authorised service centre and produce the vehicle if required. The expenses if any for bringing the affected Vehicle to the authorised service centre has to be borne by the customer only.
- Customer produces the Warranty certificate in original, to enable TDIPL authorised service centre to verify ownership & service record.
- If the batteries fitted on vehicles are supplied by another manufacturer the customer has to approach them directly for any warranty claim and TDPIL shall not be liable for any repair or replacement of such batteries.
- Warranty claims in respect of proprietary items like Tyres, Tubes and Battery are warranted by their respective manufacturers and shall be claimed on them directly by the customer as per their warranty terms and TDIPL shall not be liable in any manner to replace them.

- However TDIPL service centre will give full assistance in taking up the claims with respective manufacturers.
- TDIPL reserves the right to carry out the replacement of the defective part with the same part manufactured by another vendor, which is also used by TDIPL.
- TDIPL undertake no liability in the matter of consequential loss or damage caused due to the failure of parts. Delay, if any, for carrying out the repairs at TDIPL authorised service centres, shall not be a ground for extending the warranty period, nor shall it give any right to the customer for claiming any compensation for damages.

Limitation of Warranty

Warranty does not apply to
